

Sweet Home — Status Update

Date: 2026-08-13

Domain: sweethome-immobilien.de

Reference: Continues from the 2026-08-10 report (N2/N3 redirect sample, breadcrumbs, TTFB, blog duplicate cleanup)

Summary: Since the 2026-08-10 report, **N5–N8** are complete and **N9 Week 1** is live (3 new German keyword posts, ready for weekly review). **Pending approval:** homepage Berlin-first copy (N4) — title / meta / og:image need sign-off before the live homepage is changed.

1. Already covered on 2026-08-10 (recap)

- Redirect sample PASS (33×301 + www chain); breadcrumb OK; console housekeeping done
- Blog duplicates cleaned; 9 Berlin posts on German keyword slugs; GSC indexing requested
- TTFB warm money/district pages under 800ms; bare-path 404 → 301s

2. Completed since 2026-08-10

N5 — Reduce Cyprus / Dubai crawl weight **DONE**

- Cyprus & Dubai removed from **main nav**; one hub link each kept in the **footer**
- CY/UAE individual listings excluded from **sitemap**; property/project detail pages set to **noindex,follow**
- CY + Dubai **hub pages** remain live and crawlable
- Blog index meta description rewritten: **German, Berlin-focused** (no CY/DXB framing)

N6 — District FAQ answers in HTML **DONE**

- FAQ answers now server-rendered on **all** district templates (Pankow pattern)
- Answer text visible in View Source (no longer JS-only / hidden)

N7 — Wrong Bezirk + duplicate Moabit + card typo **DONE**

- Corrected neighborhood tags: listings → Moabit / Mitte / Neukölln as applicable
- Duplicate Erasmusstrasse Moabit: kept listing **id 87**; marked **id 229** sold + **301** to 87
- District card label typo fixed: **Bader** → **Bäder**

N8 — Social profiles → .de **DONE**

- Instagram, Facebook, LinkedIn, directories/listings updated to **sweethome-immobilien.de**
- No remaining profile pointing to sweet-home.co.il (confirmed)

N9 Week 1 — three new posts, published directly **DONE**

Per the 2026-08-10 policy: blog posts published on German keyword slugs for weekly live review (no draft-wait). Sources cited; ≥4 in-text keyword links + money/district where fit; reciprocal links added from related existing posts.

Slug	Live URL	Notes
immobilienpreise-berlin	/blog/immobilienpreise-berlin	District price table; source Guthmann Estate H1 2026 (Ø ~5.320 €/m² Bestand)
grunderwerbsteuer-berlin	/blog/grunderwerbsteuer-berlin	6% Berlin rate; examples + payment timing; Senatsverwaltung Finanzen FAQ
mietrendite-berechnen	/blog/mietrendite-berechnen	Brutto/Netto formulas + worked examples

Reciprocal links added:

- [immobilie-als-kapitalanlage-berlin](#) → Immobilienpreise + Mietrendite

- kaufnebenkosten-berlin → Grunderwerbsteuer
- beste-bezirke-immobilien-berlin → Immobilienpreise

3. Still open / pending approval

Item	Status	Notes
N4 Homepage Berlin-first (title, meta, og:image)	Blocked	Copy approval required before changing the live homepage (policy exception).
N9 Week 2 — 3 more posts	Next	Eigenkapital Wohnungsbau; Mietpreise Berlin nach Bezirk; Wo in Berlin Wohnung kaufen (link all districts).
N10 English versions	Queued	EN keyword slugs + hreflang after bilingual slug work.
N11 Ratgeber blocks on district pages	Queued	2–4 keyword-anchor guide links per district page.

4. Suggested homepage copy for approval (N4)

Draft only — **not live** until approved.

- **Title (proposal):** Sweet Home Berlin | Immobilien und Neubauprojekte in Berlin
- **Note:** Avoid “Wohnung kaufen Berlin” in the homepage title (reserved for the money page).
- **Meta:** rewrite Berlin-only (full draft text available on request).
- **og:image:** replace Dubai share image with a Berlin photo.
- **H1:** leave as-is (already correct).

5. Next steps

1. Start **N9 Week 2** posts (publish directly on German keyword slugs).
2. Ship **N4** once title / meta / og:image are approved.
3. Then **N10** EN versions and **N11** district Ratgeber blocks.

Feedback welcome on the three new live posts and/or N4 homepage copy.
