*Charlottenburg cold outlier; warm under 800ms. Cache-Control s-maxage=60 present on landings.

404 cleanup (analytics)

Top broken paths were missing prefixes (old share/CMS URLs). Fixed with 301s:

- /for-sale/... → /properties/for-sale/...
- Bare project/property/blog slug → /projects|properties|blog/{slug}
- /regions → /

Also completed this cycle (blog)

- Berlin posts live on German keyword slugs; zz-archived twins unpublished
- Old English/archive blog URLs 301 to clean URLs; full title tags; sitemap cleaned
- GSC indexing requested for the 9 clean blog URLs
